# MICRO RLS-1100 Electronic Printing Scale

Barcode label printing scale...

## EASY OPERATION

Simple and convenient operation to call up and program a PLU.

Versatility makes the RLS series a must for various retail businesses

such as wholesale stores, butcher shops, green grocers, and supermarkets.

The RLS-1100 is easy to use and well suited to supermarket, green-grocer and butchery applications where a fast barcode labelling scale is required.

Customer side display.

## Pole Model

## MEMORY

Internal memory allows for 8000 PLU's with 112 Preset Key function.

## HIGH SPEED LABEL AND PRINT QUALITY

Printing of barcode labels with pre-set printing speed and thermal head darkness adjustment.

## ACCURACY AND CONSISTENCY

Accurate weighing and repeatability is fundamental for every customer.

## HIGH QUALITY DISPLAY

Highly legible, two-line, dot-matrix HD LCD display with blue backlight (256 x 32mm)

## SPECIFICATIONS
