THE ISHIDA UNI – 3
THE POWERHOUSE OF MODERN RETAIL

BOOST RETAIL EFFICIENCY WITH THE ISHIDA UNI-3 L2 LABEL PRINTING SCALE

In retail, time is money. The Ishida Uni-3 L2 delivers high-speed label printing at up to 100 mm per second, ensuring that long queues don't slow your business down. With quick product recall and efficient checkout handling, you can serve more customers in less time while keeping the experience stress-free.

Accuracy and compliance are at the heart of the Uni-3 L2. From product names and barcodes to nutrition details, allergens, and pricing, this scale handles it all with clarity and precision with a variety of label sizes. Side-load label rolls make swaps simple, minimizing downtime and ensuring your store stays compliant while keeping customers informed.
Built for busy retail environments, the Uni-3 L2 combines a compact footprint with powerful functionality. Available in bench or pole type to fit any retail space. The dual(orange/green)16 segment backlit display provides operators with product details while showing customers transparent pricing. With up to 168 pre-sets and 8,000 PLUs, staff can access items quickly, boosting productivity across **butcheries, supermarkets, and fresh produce outlets.**
