

CAS PR-II 15 Bench

The CAS PR-II 15 is the essential price computing scale designed for modern, high-volume retail.

Transparency in pricing is key to customer loyalty. Say goodbye to being tethered to a power outlet with the scale's exceptional battery life .

Every business that sells products by weight needs a foundation of trust and legal compliance. The CAS PR-II 15 is NRCS approved, ensuring all your sales meet strict Legal Metrology standards (Approval No. SA 1604).

The internal rechargeable battery offers an endurance of up to 40 hours of continuous operation on a single charge. Its compact, lightweight design and durable stainless-steel platter make it perfect for mobile vendors, pop-up markets, or uninterrupted use during power outages.

Invest in the CAS PR-II 15 Bench Scale today to secure compliance, ensure precision (15kg capacity with 2g/5g readability), and boost customer confidence.

It is the durable, accurate, and portable weighing solution that your deli, market, or grocery store needs to thrive.
