

BORDER SCALES

WE'RE WEIGH BETTER

COUNTING SCALE MICRO ZHC

The Micro ZHC Counting Scale is designed to bring speed, accuracy, and reliability to any industrial or commercial environment.

Whether you're counting small components, batching hardware, or managing warehouse inventory, this compact table-top scale delivers exceptional performance. Its high-precision sensors and intelligent piece-counting system help eliminate manual counting errors while boosting productivity.

The stainless-steel platform removes easily for cleaning, making it ideal for parts, packaging, and assembly areas where hygiene and efficiency matter. Its compact footprint fits comfortably on any workstation without sacrificing stability.

The bright 15 mm LCD display with white LED backlight ensures clear readability from any angle. Operators can quickly view total weight, unit weight, and piece count at a glance, even in dimly lit conditions.

Flexible power options make the Micro ZHC ideal for mobile and static applications.

The built-in rechargeable battery allows the scale to operate wherever it's needed, while the included AC adaptor supports continuous use. Whether you're conducting a full stocktake or packaging items on the go, this scale keeps your operation running smoothly.

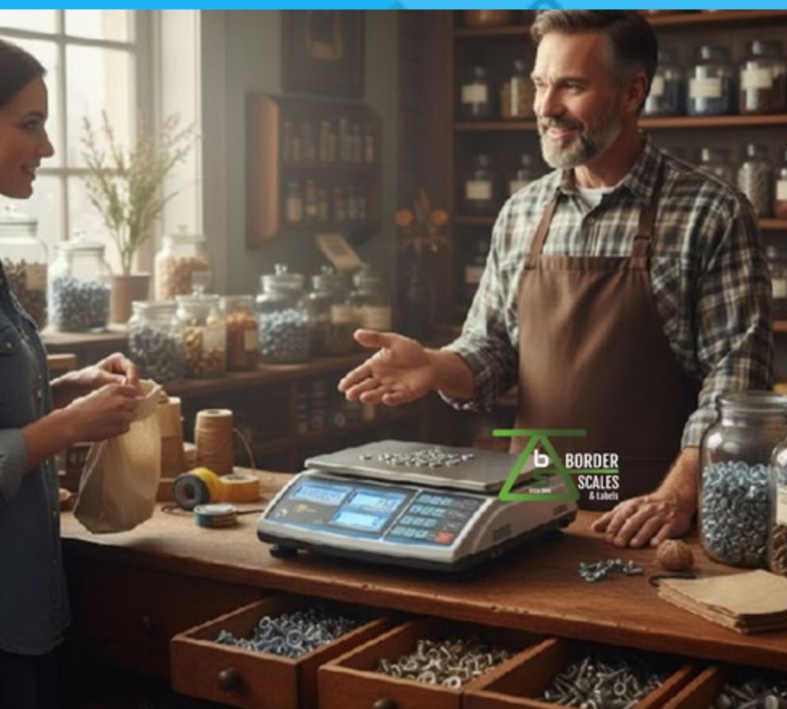

- 1. High-precision counting scale built for fast, accurate inventory control.**
- 2. Durable stainless-steel top plate with rugged ABS construction.**
- 3. Bright LED-backlit display for clear, easy-to-read results.**
- 4. Rechargeable battery and AC power for flexible operation anywhere.**
- 5. Advanced functions including accumulation, tare, zero, and quantity alarm.**

With advanced functions such as accumulation, tare, zero, and quantity alarm, the Micro ZHC is built to support smart, efficient inventory management.

Stop settling for less; upgrade your counter with a trade-approved solution that saves time, eliminates errors, and gives your customers peace of mind. Contact us or visit our website to secure the scale that will weigh better for your business.
