

The CAS SWII-W Waterproof Portion Scale is built for tough, wet environments like butcheries, fish markets and bakeries. Its sealed design and drainage system protect it from water and daily wash-downs.

Weight only Portion Scale – CAS SWII-W

It is legal-for-trade, offering accurate dual-range capacities for both light and heavy items. South African units also carry full NRCS approval for business use.

With a fast 0.6-second response time and a bright, easy-to-read display, the scale keeps busy workflows running smoothly.

The stainless-steel tray is hygienic, easy to clean and a perfect size for everyday food weighing. Features like tare, hold and HI/OK/LOW modes make portioning and packaging simple.

Reliable, durable and accurate, the CAS SWII-W is an excellent choice for any food environment needing a waterproof, trade-approved scale.
