

EDIKIO PRICE TAG FLEX

THE FLEXIBLE SOLUTION TO PRINT PRICE TAGS ON STANDARD AND LONG CARDS

Edikio Price Tag Flex is an all-in-one solution for single-sided printing on standard and long price tags.

Made for retails who need to print on several tag formats, Edikio Price Tag Flex includes everything needed to update and print price tags in a few minutes:

Edikio Flex printer

Edikio Price Tag software
Standard Edition

Consumables dedicated for use in the retail food industry*:

- 100 black cards long format (150 x 50 mm)
- 100 black PVC cards, credit-card format (85.6 x 54 mm / 3.37" x 2.13")
- 1 white ribbon for up to 1000 prints in credit card size

EASY-TO-USE SOFTWARE

Thanks to the Edikio Price Tag Flex solution, you benefit from the customized functionality of the Edikio Price Tag "Standard edition" compatible with Windows® and macOS.

Create price tags in a **user friendly interface** with:

- An All-in-one view to have access your card design and your list of items
- A wide range of images, pre-designed templates and sample database lists dedicated to your needs
- The exclusive Edikio Chalk font
- Graphical footprint to visualize the position of your tag holder
- A graphical wizard to import data from Excel files and for dual sided printing

It also contains **simple and useful features** like:

- Automatic detection of the updated prices since the last print
- Automatic refresh from an external database
- An easy tool to select price formats and currencies
- Backup & Restore function to save easily all your data
- Search toolbar with highlighted results
- Long card management (120 and 150 mm)
- An allergen tool to automate their display directly on your tags.
- Scoring tool to add, on your tag, a notation in the form of stars or circles

Ideal for medium or larger retailers, such as:

Supermarkets, Bakers,
Butchers, Pastry chefs,
Chocolate sellers,
Cheesemongers,
Fishmongers, Caterers,
Wine merchants...
