

## LS4 Wifi Indicator

The LS4 indicators are equipped with a stabilizing filter (4 x Modes), which eliminates the spikes and oscillations in the measurements caused by very lively animals and gives a stable reading even when they are moving about.

### Specifications

- Wi-Fi connectivity for real-time data transmission to mobile phones
- Compatible with multiple livestock scales
- Clear digital display and intuitive keypad
- Supports multiple load cells
- Durable, weather-resistant construction
- Advanced functions: tare, zero, gross/net weight, memory storage
- Three load beams available: 600 mm, 800 mm, or 1000 mm (specified on order)
- Maximum capacity: 2000 kg × 1 kg increments (normal mode)
- Fine mode capacity: 300 kg × 0.1 kg increments
- Capacity depends on scale beams and load cell configuration
- Power supply: 12V battery cable and 220V mains charger
- Includes user manual
