

## Micro CW 30

### Weight Only - Portion Scale

The Micro CW 30 Check-Weighing Scale is designed for businesses that need reliable, accurate and portable weighing.

With a generous 30kg capacity and 1g readability, it offers precision ideal for portioning, batching, packaging and general weighing tasks.

**Its stainless-steel top plate provides a hygienic, easy-to-clean surface, making it perfect for food environments and busy workstations.**

**From food service and catering to retail, workshops and small production lines, the Micro CW 30 is a versatile asset.**

The scale's lightweight plastic housing makes it easy to transport, while still offering durability for everyday commercial use.

A protective cover is included to keep the housing clean and to extend its lifespan.
